

**RATE BES
BASIC ELECTRIC SERVICE**

APPLICABILITY.

This tariff is applicable to any retail customer (a) using electric service for which the Company is providing bundled electric service; (b) to which the Residential Customer Group, Watt-Hour Customer Group, Demand Customer Group, Dusk to Dawn Lighting Customer Group, or General Lighting Customer Group, as defined in the Supply Groups section of the Retail Customer Categorizations part of the General Terms and Conditions of the Company's Schedule of Rates, is applicable, or would be applicable based upon the Company's judgment with respect to such retail customer's expected electric power and energy requirements; and (c) that meets the prerequisites of service, as applicable, provided in the Prerequisites of Service section of this tariff.

Service hereunder is not applicable to a retail customer to which the Competitively Declared Customer Group is applicable.

Notwithstanding the aforementioned provisions of this Applicability section, service hereunder is not applicable to any retail customer that elects to be served, and during such time that service is taken, under Rate BESH - Basic Electric Service Hourly Pricing (Rate BESH) or Rate RDS - Retail Delivery Service (Rate RDS).

DEFINITIONS.

Definitions of terms used in this tariff are provided in the Definitions part of the General Terms and Conditions of the Company's Schedule of Rates.

PREREQUISITES OF SERVICE.

For a situation in which a retail customer requesting service hereunder is currently receiving service from the Company under a different tariff, such retail customer must fulfill all obligations, except timely payment for service, for which it is responsible under such other tariff prior to terminating service under such other tariff and commencing service hereunder.

NATURE OF SERVICE.

*

Bundled Electric Service

Bundled electric service is the provision to the retail customer of electric power and energy by the Company in accordance with the terms of this Bundled Electric Service subsection. Such provision includes (1) procurement of all the component services the Company requires to meet retail customer instantaneous electric power and energy requirements at any given time under the Company's tariffs, applicable tariffs on file with the Federal Energy Regulatory Commission (FERC), and other applicable law, including, without limitation, all required electric energy, energy to satisfy losses, electric generation capacity, volumetric risk management, transmission services, ancillary transmission services, administrative services, and other necessary services procured by the Company; (2) delivery of the electric power and energy via the Company's distribution facilities, including the provision of reactive power and voltage support using distribution facilities, at the rates and subject to the terms, conditions, and limitations provided in the Company's tariffs on file with the Illinois Commerce Commission (ICC); and (3) the Company's standard metering and billing that are necessary to permit eligible retail customers to receive service hereunder as permitted by law and by tariffs approved by the ICC and the FERC. No component of bundled electric service may be provided to a retail customer by a third party, and components of this bundled electric service are not available separately from the Company under this tariff.

NATURE OF SERVICE (CONTINUED).

Electrical Characteristics of Service

The electrical characteristics of the bundled electric service provided to a retail customer served hereunder are comparable to the electrical characteristics of the electric power and energy provided or delivered to other retail customers taking service under other tariffs included in the Company's Schedule of Rates. Such characteristics are described in the Electrical Characteristics section of the Nature of Service part of the General Terms and Conditions of the Company's Schedule of Rates.

Service and Facilities

Standard service and distribution and meter-related facilities provided by the Company for a retail customer served hereunder are determined in accordance with the provisions of the General Terms and Conditions and other applicable tariffs in the Company's Schedule of Rates.

Notwithstanding the preceding provisions of this Service and Facilities subsection, if larger, more, or different services or distribution or meter-related facilities than those needed to provide standard electric service to the retail customer are in place, required or requested by the retail customer, and such services or facilities are reasonably and technically feasible, and can be furnished, installed, operated, replaced, and maintained with no significant adverse impact on the Company's system with respect to reliability or efficiency, such services or facilities are furnished, installed, owned, operated, replaced, and maintained by the Company, provided the Company is allowed to recover from the retail customer the costs of furnishing, installing, owning, operating, replacing, and maintaining such services or facilities in accordance with its provisions for providing nonstandard services and facilities in the Company's Schedule of Rates, including but not limited to the provisions of the General Terms and Conditions, Rider DE - Distribution System Extensions (Rider DE), Rider NS - Nonstandard Services and Facilities (Rider NS), and Rider ML - Meter-Related Facilities Lease (Rider ML).

* Notwithstanding the preceding provisions of this Service and Facilities subsection, if the AMI Metering subsection of the Standard Metering section of the Metering part of the General Terms and Conditions of the Company's Schedule of Rates is applicable to a retail customer and such retail customer refuses AMI metering, as described in the Non AMI Metering section of such Metering part, such facilities are furnished, installed, owned, operated, replaced, and maintained by the Company, provided the Company is allowed to recover from the retail customer the costs of furnishing, installing, owning, operating, replacing, and maintaining such non AMI metering in accordance with the provisions in Rider NAM - Non AMI Metering (Rider NAM) and such General Terms and Conditions.

* For a situation in which the Company relocates or removes Company facilities in accordance with a retail customer's requirements or request, such relocation or removal is performed in accordance with the provisions for providing nonstandard services and facilities and/or non AMI metering, as applicable.

* **MONTHLY CHARGES.**

A retail customer served hereunder is subject to each charge described in this Monthly Charges section for each monthly billing period, as applicable.

Customer Charge

The Customer Charge is applicable to the retail customer for the monthly billing period and is equal to the applicable Customer Charge listed in the Delivery Service Charges Informational Sheets of the Company's Schedule of Rates for the delivery class applicable to the retail customer for the monthly billing period. Notwithstanding the previous provisions of this Customer Charge subsection, there is no Customer Charge for the Fixture-Included Lighting Delivery Class, Dusk to Dawn Lighting Delivery Class, or General Lighting Delivery Class.

Standard Metering Service Charge

The Standard Metering Service Charge provided on a \$/kWh basis is applicable to the kilowatt-hours (kWhs) provided to the retail customer during the monthly billing period and is equal to the applicable Standard Metering Service Charge listed in the Delivery Service Charges Informational Sheets of the Company's Schedule of Rates for the delivery class applicable to the retail customer for the monthly billing period. Otherwise, the Standard Metering Service Charge is applicable to the retail customer for the monthly billing period and is equal to the applicable Standard Metering Service Charge listed in such Delivery Service Charges Informational Sheets for the delivery class applicable to the retail customer for the monthly billing period. Notwithstanding the previous provisions of this paragraph, there is no Standard Metering Service Charge for the Fixture-Included Lighting Delivery Class.

Purchased Electricity Charges

The Summer Purchased Electricity Charge or the Nonsummer Purchased Electricity Charge for the customer supply group or subgroup applicable to the retail customer, as described in the Retail Purchased Electricity Charges section of Rider PE - Purchased Electricity (Rider PE), is applicable to each kWh provided to the retail customer during each monthly billing period included in the Summer Period or the Nonsummer Period, respectively. The Summer Purchased Electricity Charge and Nonsummer Purchased Electricity Charge are equal to (a) the corresponding Summer Retail Purchased Electricity Charge and the Nonsummer Retail Purchased Electricity Charge determined in accordance with the provisions of such Retail Purchased Electricity Charges section, multiplied by (b) the relevant supply base uncollectible cost factor (Supply BUF) listed in or determined in accordance with the provisions of Rider UF - Uncollectible Factors (Rider UF), as applicable, multiplied by (c) the relevant ISUF_c determined in accordance with the provisions of Rider UF. The Summer Purchased Electricity Charge or the Nonsummer Purchased Electricity Charge, as applicable, is shown as a separate line item on the retail customer's monthly bill for electric service and designated as the Electricity Supply Charge.

PJM Services Charge

The PJM Services Charge is applicable to each kWh provided to the retail customer during the monthly billing period. The PJM Services Charge is equal to (a) the Retail PJM Services Charge determined in accordance with the provisions of the Retail PJM Services Charges section of Rider PE, multiplied by (b) the relevant Supply BUF listed in or determined in accordance with the provisions of Rider UF, as applicable, multiplied by (c) the relevant ISUF_c determined in accordance with the provisions of Rider UF. The PJM Services Charge is shown as a separate line item on the retail customer's monthly bill for electric service and designated as the Transmission Services Charge.

PEA Factor

The Purchased Electricity Adjustment (PEA) Factor is applicable to each kWh provided to the retail customer during the monthly billing period and is equal to the PEA Factor computed in accordance with the provisions of the Purchased Electricity Adjustment section of Rider PE. The PEA Factor is shown as a separate line item on the retail customer's monthly bill for electric service and designated as the Purchased Electricity Adjustment.

Nonstandard Services and Facilities Charge

If the Company provides services or distribution facilities for the retail customer served hereunder that are different from or in addition to a standard service or distribution facilities installation, certain of such services or distribution facilities are provided and charged for through a monthly amount applicable to such retail customer for the monthly billing period and computed in accordance with the provisions of Rider NS.

Nonstandard Meter-Related Facilities Charge

If the Company provides meter-related facilities to the retail customer served hereunder that are different from or in addition to facilities included in a standard metering installation, such meter-related facilities are provided and charged for through a rental amount applicable to such retail customer for the monthly billing period and computed in accordance with the provisions of Rider ML.

Non AMI Metering Monthly Charges

If the Company provides non AMI metering to the retail customer served hereunder, such retail customer is subject to the monthly charges identified in Rider NAM, as applicable.

Other Generally Applicable Charges

The Company's Schedule of Rates of which this tariff is a part includes General Terms and Conditions and riders that include other generally applicable charges. Service hereunder is subject to such General Terms and Conditions, riders, and other generally applicable charges.

* **OTHER CHARGES.**

Non AMI Metering Charges

If a retail customer served hereunder is provided with non AMI metering, such retail customer is subject to the charges presented in the Other Charges section of Rider NAM, as applicable.

Late Payment Charge

The Late Payment Charge as described in the Billing and Payment part of the General Terms and Conditions of the Company's Schedule of Rates is applicable to all charges applied in accordance with the provisions of this tariff.

MEASUREMENT OF POWER AND ENERGY PROVIDED.

Electric power and energy provided to a retail customer served hereunder are measured in accordance with the provisions of the Measurement of Energy and Demand subsection of the Continuing Electric Service section of the Billing and Payment part of the General Terms and Conditions of the Company's Schedule of Rates.

TERM OF SERVICE.

Commencement of Service

Service under this tariff does not commence until the retail customer fulfills all applicable prerequisites of service provided in the General Terms and Conditions of the Company's Schedule of Rates.

Service hereunder does not commence until all applicable prerequisites of service, as provided in the Prerequisites of Service section of this tariff, are met. Service hereunder commences only for a retail customer to which the Residential Customer Group, Watt-Hour Customer Group, Demand Customer Group, Dusk to Dawn Lighting Customer Group, or General Lighting Customer Group is applicable.

A retail customer's term of service hereunder commences when the Company begins to provide service hereunder.

For a situation in which an applicant for electric service at a premises (a) has never received any tariffed service from the Company; (b) has expected electric power and energy requirements such that, in the Company's judgment, the Residential Customer Group, Watt-Hour Customer Group, Demand Customer Group, Dusk to Dawn Lighting Customer Group, or General Lighting Customer Group would be applicable to such applicant; and (c) has not requested or is not in compliance with the availability provisions or prerequisites of service under Rate BESH or Rate RDS, such applicant commences service hereunder, and is designated as a retail customer when the Company begins to provide electric service to such applicant.

Termination of Service

A retail customer may elect to terminate service hereunder and obtain electric power and energy supply from a Retail Electric Supplier (RES). In making such election, for a retail customer that is a (a) residential retail customer, (b) lighting retail customer that has established or is expected to establish 30-minute demands for electric power and energy that do not exceed 100 kW, or (c) nonresidential retail customer to which the Watt-Hour Delivery Class or Small Load Delivery Class is applicable, the provision of service hereunder terminates and the provision of service from the Company under Rate RDS commences, effective on the Company's next normally scheduled meter reading or billing cycle date for such retail customer, provided such effective date is at least eighteen (18) calendar days after the Company receives a valid and applicable Direct Access Service Request (DASR) for such retail customer and such retail customer is in compliance with all the prerequisites of service under Rate RDS. In making such election, for any other retail customer, the provision of service hereunder terminates and the provision of service from the Company under Rate RDS commences, effective on the Company's next normally scheduled meter reading or billing cycle date for such retail customer, provided such effective date is at least seven (7) calendar days after the Company receives a valid and applicable DASR for such retail customer and such retail customer is in compliance with all the prerequisites of service under Rate RDS. Notwithstanding the provisions of the previous sentence, in making such election, for such other retail customer, such effective date may occur on a date other than the Company's next normally scheduled meter reading or billing cycle date for such retail customer, provided such effective date is at least seven (7) calendar days after the Company receives a valid and applicable DASR for such retail customer, such retail customer is in compliance with all the prerequisites of service under Rate RDS, and such retail customer is subject to the Nonstandard Switching Fees provided in the Nonstandard Switching Fee subsection of the Other Charges section of the Rates and Charges part of Rate RDS.

BASIC ELECTRIC SERVICE**

(Continued from Sheet No. 24)

TERM OF SERVICE (CONTINUED).

Termination of Service (Continued)

Notwithstanding the previous provisions of this Termination of Service subsection, for a situation in which a retail customer had received service from the Company under Rate RDS with electric power and energy supply service provided by a particular RES prior to commencing service hereunder, such retail customer is required to receive service from the Company hereunder on a continuous basis for a period of at least six (6) monthly billing periods before such retail customer may terminate service hereunder and obtain service from the Company under Rate RDS with electric power and energy supply service provided by such particular RES.

In the event that a DASR submitted to the Company pertains to an election of service under Rate RDS with electric power and energy supply from a RES and is for a (a) residential retail customer, (b) lighting retail customer that has established or is expected to establish 30-minute demands for electric power and energy that do not exceed 100 kW, or (c) nonresidential retail customer to which the Watt-Hour Delivery Class or Small Load Delivery Class is applicable, then such DASR may be rescinded provided the Company receives notification from the retail customer or the RES to rescind such DASR no later than five (5) calendar days prior to the otherwise effective date of the election identified in such DASR. In the event that a DASR submitted to the Company pertains to an election of service under Rate RDS with electric power and energy supply from a RES and is for any other retail customer, then such DASR may be rescinded provided the Company receives notification from the RES to rescind such DASR no later than five (5) calendar days prior to the otherwise effective date of the switch identified in such DASR.

A retail customer may elect to terminate service hereunder and obtain service under Rate BESH, provided such retail customer fulfills all prerequisites of service under Rate BESH.

A nonresidential retail customer or lighting retail customer may elect to terminate service hereunder and obtain service under Rate RDS and Rider PPO - Power Purchase Option (Rider PPO), provided such retail customer fulfills all prerequisites of service under Rate RDS and Rider PPO.

**RATE BES
BASIC ELECTRIC SERVICE**

(Continued from Sheet No. 25)

TERM OF SERVICE (CONTINUED).

Termination of Service (Continued)

If the Competitively Declared Customer Group becomes applicable to the retail customer, service hereunder terminates.

In the event that a lighting retail customer terminates service under this tariff and does not elect to obtain service from the Company under any other tariffed service due to the fact that such lighting retail customer is abandoning the lighting system for which service hereunder has been provided, the lighting retail customer must provide the Company with sufficient notice to enable the Company and the lighting retail customer to cooperatively coordinate the termination of service hereunder to coincide with the abandonment of such lighting system.

Otherwise, in the event that the retail customer terminates service from the Company under this tariff and does not elect to obtain service from the Company under any other tariffed service at its premises due to the fact that such retail customer is vacating the premises, service hereunder continues for not more than ten (10) days after the date such retail customer vacates the premises, provided the retail customer provides timely notice to the Company to terminate service hereunder at such premises.

MISCELLANEOUS GENERAL PROVISIONS.

Provisions regarding credit requirements, deposits, billing, and payment for service provided hereunder are included in the General Terms and Conditions of the Company's Schedule of Rates.

Provisions regarding the disconnection and reconnection of electric service provided hereunder for safety or other reasons are included in the Disconnection and Reconnection part of the General Terms and Conditions of the Company's Schedule of Rates.

- * Provisions addressing the resolution of disputes between the Company and a retail customer that involve the performance, breach, or alleged breach of any obligation under this tariff, or under any rider applicable to this tariff, or under any contract or any written agreement entered into under this tariff or applicable rider, are included in the Dispute Resolution part of the General Terms and Conditions of the Company's Schedule of Rates.

The Company's Schedule of Rates of which this tariff is a part includes General Terms and Conditions and riders. Service hereunder is subject to the General Terms and Conditions and the riders applicable to this tariff.
