

ANDREW MCGOVERN

PARK LAWN SERVICES

Andy is a Park Lawn participant. Andy is known for his pleasant disposition, outgoing personality, love of Chicago's sports teams, and his ability to create tasty treats in the kitchen. He enjoys spending his free time with family and friends; shooting pool, singing Karaoke, attending concerts, and playing bags. If you call Park Lawn's Vocational Services, you may have the pleasure of being greeted by Andy, who works as an office assistant at the reception desk. Another of Andy responsibilities is to serve as a tour guide for visitors to Park Lawn. Recently, Andy completed a three month temporary position at an insurance company.

In addition to having multiple experiences working in the community and in various capacities at Park Lawn, Andy has shown an interest and passion for giving back to the community thorough his work with Park Lawn's GIVE program, a volunteer service group. Along with the other members of the group, Andy helps

to identify the needs of others, complete service projects that make the world a better place, and demonstrate that individuals with disabilities are valuable contributing members of their communities. Andy excels and rises to meet challenges. Andy does not let his disability define, limit or determine his abilities. Always eager to engage in new experiences, Andy welcomes the opportunity to share energy efficiency tips with the community through this partnership with ComEd.
