

BILL HAYNES

RAMP

Bill Haynes is a graduate of Arkansas State University with a Bachelors of Arts in Social Work and has a passion for the environment. Before obtaining his degree, Bill held several manufacturing positions. However, after Bill acquired his brain injury he knew he had to switch gears. It was then that Bill realized he wanted to help other people in the same way that he was helped during his recovery. Bill is an active member at Grace Lutheran Church and is hoping to assist with an up and coming mobile food pantry. Bill has been volunteering at another local food pantry and recycling center since moving back to the Rockford area in 2013. He is also a member of a local traumatic brain injury support group called, Headliners. Bill has been working with the staff at RAMP to find employment since March of 2014 and is excited at the chance to educate the community he grew up in.
