## TRINITY SERVICES SOUTH

Keyanna graduated from Lincoln-Way Central High School and was an active part of her school's choir and participated in the school musical. Keyanna has a beautiful singing voice and is currently a valued member of her church choir. She is now looking forward to starting her college coursework in the fall and plans to major in psychology with an emphasis in music therapy. She has a love for helping people and hopes to use music therapy to reach people and help them be understood. Keyanna feels that the most valuable lesson that one can learn is "accepting the value of diversity."
