

# Comprehensive Efficiency Equals **INCOMPREHENSIBLE SAVINGS**

## Upgrade Your Entire Facility for Less

For a limited time, receive increased incentives to put toward a wide variety of energy efficiency upgrades.

### SAVE MORE ON ENERGY EFFICIENCY WITH ComEd

Smart energy use benefits everyone and ComEd wants to ensure that energy efficiency is accessible to all its customers. That's why, through **September 15, 2022**, the Small Business offering is providing increased incentives on a variety of upgrades in categories such as HVAC, refrigeration, kitchen equipment, lighting and more! Contact an authorized Energy Efficiency Service Provider today to explore the options that work best for your small business or public facility.

### How do I qualify for additional incentives?

Private businesses with an annual peak demand under 200 kW and public facilities with a peak demand under 400 kW must apply for a new Small Business project between June 13 and September 15, 2022.

### START YOUR SAVINGS JOURNEY

Visit [ComEd.com/SmallBiz](https://www.comed.com/SmallBiz) to schedule a free energy assessment, which will help you identify energy efficiency opportunities for your business or facility. From there, ComEd and your chosen Service Provider will assist you through every step of the process to make sure your needs are met.
