FOR LESS

ComEd Wants To Help Your Community Thrive

You're eligible for an additional 30% incentive to put toward energy efficiency upgrades.

Your small business or public facility can earn an **extra project incentive of 30%*** when you apply for a project with the ComEd Energy Efficiency Program before August 12, 2022. That means you pay even less for reducing your energy costs!

START YOUR SAVINGS JOURNEY

Visit **ComEd.com/SmallBiz** to schedule a free energy assessment, which will help you identify money-saving energy efficiency opportunities for your business. From there, ComEd and your chosen Service Provider will assist you through every step of the process to make sure your needs are met.

*Project must be completed in 2022 to qualify for additional project incentive.

Terms and conditions apply. Offers are subject to change.
Actual savings will vary by customer's energy usage and rate.
