**WHEN YOU  
ACT FAST**

## **20% More is 100% Awesome**

For a limited time, get a **20%** additional project incentive.

### **SAVE MORE ON ENERGY EFFICIENCY WITH ComEd**

ComEd is dedicated to helping small businesses use less energy and save money. Through May 22, 2022, we're offering a 20% additional incentive\* toward an energy efficiency project. Contact an authorized Energy Efficiency Service Provider today to secure your additional incentive!

### **How do I qualify for additional incentives?**

Private small business customers with a peak demand under 200 kW must apply for a new Small Business offering project on or after April 18, 2022 and work with their chosen Service Provider to submit a pre-application by May 22, 2022.

### **START YOUR SAVINGS JOURNEY**

Visit [ComEd.com/SmallBiz](https://www.comed.com/SmallBiz) to schedule a free energy assessment, which will help you identify energy efficiency opportunities for your business. From there, ComEd and your chosen Service Provider will assist you through every step of the process to make sure your needs are met.

\*Additional project incentives cannot be combined. Additional project incentives are subject to review and will be capped at \$20,000 per ComEd account.

Terms and conditions apply. Offers are subject to change.  
Actual savings will vary by customer's energy usage and rate.
