

Voluntary Load Reduction Program

Curtailment Event Confirmation Process

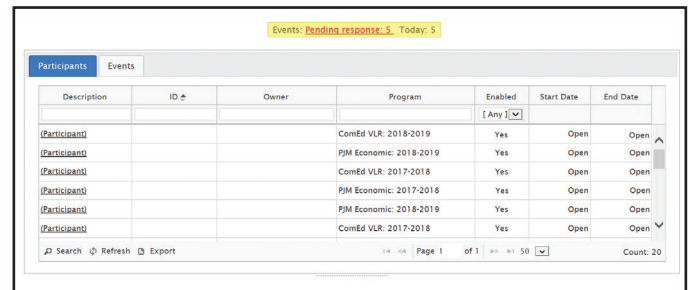

When you are notified via telephone, email, or via mobile text (with your permission) of an upcoming curtailment event, log in to **ComEd.com/MyAccount**. You can accept or decline participation and indicate the amount of energy use you intend to reduce should you accept. Here's how:

STEP 1 Log in to **ComEd.com/MyAccount**. You will then see the Curtailment page within My Account.

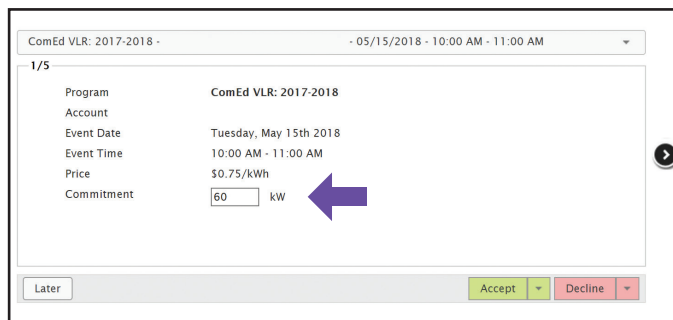

Description	ID	Owner	Program	Enabled	Start Date	End Date
(Participant)			ComEd VLR: 2018-2019	Yes	Open	Open

STEP 2 On the curtailment page there will be an Event Notification at the top of the screen. Select the Pending Responses link.

STEP 3 All current notifications will be listed. (With multiple Pending Responses, use the arrows to navigate between events.)

To edit a commitment amount, simply type a kW amount within the text box. There is no need to change the kW commitment if declining the event.
