

CUSTOM AND NEW CONSTRUCTION PROJECT SCREENING FORM

January 1 through December 31, 2022

Directions: Please save a copy of this form to your computer by selecting “File/Save As” before entering text and numbers. Then fill in your information electronically and select “Save.” Note that this form requires Adobe Reader® version 11.0 to function properly. Download the most recent version of Adobe Acrobat Reader DC® at <http://get.adobe.com/reader>.

Before you begin:

The energy efficiency team will use this form to determine your eligibility for either Custom or New Construction offerings.

Once you submit this form, the energy efficiency team will evaluate your project description and either send you a Custom Incentives Application or a New Construction Incentives Application so you can apply for incentives. You can email your completed form to BusinessEE@ComEd.com or call 855-433-2700 for assistance.

CUSTOM AND NEW CONSTRUCTION PROJECT SCREENING FORM

January 1 through December 31, 2022

Project Description

Please provide the following information about your project to the best of your ability. You do not have to complete every field, but the more information that you share with us, the better we can assist you with your project.

Was this project identified in a ComEd Energy Efficiency Program facility assessment or study?: Yes No

Assessment / study completion date:

Anticipated application submission date:

Probability the project will happen (%):

What is the current phase of your project?

Pre-design Schematic design Design development
Construction documentation Equipment purchased

If in design development phase, how complete is your design? (%):

Project Scope:

Provide an overview of the project you are working on. Detail specifics like what equipment is being replaced and/or installed, construction or renovation plans, or any other relevant details, as applicable. Please provide as much information about your project as possible for our screening review team. The more information that is provided, the better we can assist you with your project.
