

Comprehensive Energy Savings

THE SOLUTION

Could a bonus from ComEd improve your bottom line and lower your energy bill? YES! ComEd can help! By tackling three or more energy efficiency projects - you could receive a **20 percent bonus** in addition to the incentives earned by updating your facility. **You can take up to two years to complete your projects!** Eligible improvements include: electrical equipment such as indoor/outdoor lighting, HVAC, refrigeration and compressed air.

HOW TO PARTICIPATE

- Select three or more project options in this worksheet
- Apply for pre-approval
- Complete your projects within two years
- Receive standard or custom incentives after each completed project
- Earn an extra 20 percent bonus incentive based on the total incentives paid for the three projects

Earn a 20 percent bonus incentive for completing three or more eligible energy efficiency projects within two years.

COMPREHENSIVE SAMPLE PROJECT	Grocery Customer	Selected Options	Incentives without Bonus	Incentives with Bonus
		LED lighting	\$11,887.36	\$14,264.83
		Air-cooled chiller	\$4,356.00	\$5,227.20
		Refrigeration equipment	\$38,601.00	\$46,321.20
		Total Incentives	\$54,844.36	\$65,813.23
